Real estate

Information for the weekly Hennepin County real estate listings is taken from certificates of value at the Hennepin County Government Center. The amount published is the amount listed on the certificate as the purchase price, but because mortgage assumptions or sales on contract for deed often involve only a down payment, the amounts given here may not always reflect the total price of the sale. CD denotes contract for deed; LWD denotes limited warranty deed; QCD denotes quit claim deed; PD denotes probate deed; PRD denotes personal representative deed; WD denotes warranty deed; SWD denotes special warranty deed.
